Recipe project - Module 3

We're going to make our Recipe Web page look a lot better using the CSS that you've been learning. See what you can do with backgrounds, margins and size settings to get your Web page looking more like this:

If you'd like to see what we did for Module 2, you can find it [here](#).

Soup

Beethoven once said “Only the pure of heart can make a good soup”. Well, here's my attempt at doing just that!

Give it a try, after that you can watch the next video to see what we did. Add to the discussion if you have any questions or anything to share. Good luck!
