Clouds

Among the many types of clouds are:

1.   Click here to s
2.   Click here to see cirrus clouds
3.   Click here to see stratus clouds

More about Clouds
a 144px × 23px

"Clouds come floating into my life, no lo
but to add color to my sunset sky." — Ra

1. 'id' of the element

0 points possible (ungraded)
Given the picture above: one element on the right screen is highlighted and another has been modified…

What is the id of the element that has been modified?

(without any quotes)

Submit

2. Width in pixels?

0 points possible (ungraded)
Given the picture above:

What is the width, in pixels, of the highlighted element?

(write just the number of pixels, not the units)

Submit

3. text-decoration property?

0 points possible (ungraded)
Given the picture above:

For the modified element, what value does the text-decoration property have?

(no quotes)

Submit
